

INDYEBO CONSULTING – LIST OF PROJECTS**PROJECTS EXPERIENCE – Combined experience of Members**

Project Description	Client	Year	Capacity
PROJECT MANAGEMENT			
Upgrading of Corrugator plant	Nampak	1995	Project Engineer
Boiler House extensions	Nampak	1995	Project Engineer
Audit on printing plant	Nampak	1995	Project Engineer
Jabulani Place of Safety, New Dining Hall	Gauteng Social Services	1999	Project Manager
Baragwanath Hospital, New Air Conditioning Plant	Gauteng Health	2000	Project Manager
Jabulani Place of Safety, New Multi-purpose Hall	Gauteng Social Services	2001	Project Manager
Suikerbosrand, Construction of Conference Centre	Gauteng Environment	2001	Project Manager
Losperfontein repairs and renovations	National Correctional Services	2001	Project Manager, Programme Manager
Upgrading of Stella Police Station	SAPS	2002	Project Manager, Programme Manager
Upgrading of Setlagole Police Station	SAPS	2002	Project Manager, Programme Manager
Pampierstad Police Station, New office buildings	SAPS	2003	Project Manager, Programme Manager
Taug Police Station, New office buildings	SAPS	2002	Project Manager, Programme Manager
Repair and Maintenance of Air conditioning, Kitchen equip., Cold rooms, Fire Prevention systems	SAPS, Justice, Corr Services	2003	Mechanical Engineer and Project Manager
SAPS NW Head quarters, Air conditioning, Fire Prevention system and access control	SAPS	2003	Mechanical Engineer and Project Manager
Various: New Offices, Upgrading of offices and buildings	SAPS, Corr Services, Justice	2003	Programme Manager
Klerksdorp Prison, New Klerksdorp prison (Initiation and Planning)	Correctional Services	2003	Project Manager
Upgrading of Randburg Police Station	SAPS	2004	Project Manager
Capital Programme, Various SAPS projects	SAPS	2004	Programme Manager
Maintenance Programme, Various repairs and renovations projects	SAPS, Correctional Services	2004	Programme Manager
Dithakong Rural water supply project, 15km water pipe supply incl 35m ³ water reservoir	Seitshiro Properties	2004	Civil Engineer, Project Manager
Enhancements to existing Bush Lodge	PPC Cement, Dwaalboom	2004	Project Manager
Construction of Electrical Cable tunnels and Stormwater drainage	PPC Cement, Dwaalboom	2005	Project Manager & Electrical Engineer
Handling of Gypsum material facility	PPC Cement, Dwaalboom	2005	Project Manager

Construction of 3 electrical lifts (30m, 58m, 90m)	PPC Cement, Dwaalboom	2006	Project Manager
Construction of 120 Houses including Electrical & Structural engineering	PPC Cement, Dwaalboom	2006	Project Manager, Electrical, Civil & Structural Engineers
Construction of Office Buildings	PPC Cement, Dwaalboom	2006	Project Manager, Electrical, Civil & Structural Engineers
New railway line incl earthworks, drainage & electrics	PPC Cement, Dwaalboom	2007	Project Manager
New Plant diesel tanks (40m ³ , 60m ³)	PPC Cement, Dwaalboom	2007	Project Manager
New Clinker material Handling facility	PPC Cement, Dwaalboom	2007	Project Engineer
Civil works for new Mill	PPC Cement, Dwaalboom	2007	Project Manager
Construction of Plant and Buildings incl. Equipment, Elec, Civil, Structures, Control system, Piping, Roads and Infrastructure	Ndola Lime, Zambia	2007	Project Manager
Construction of new Cement plant incl Buildings and Offices, Elec, Civil, Arch, Structures, Control system, Piping, Roads and infrastructure	Ndola Lime, Zambia	2008	Project Manager
Construction of Chrome Recovery plant incl Buildings and Offices, Elec, Civil, Structures, Arch, Control System, Piping, Roads and infrastructure	Two Rivers Chrome, Steelpoort	2008	Project Manager
Construction of Potash Plant incl 35km Linear Infra (water, waste & gas lines) and pump stations, Rail line, Electrical overhead line, Marine civil & piling on ocean, Ship loading facilities, Buildings and Offices	Mag Minerals, Montreal, Canada	2009	Project Manager
Ad' Duwayhi Gold Project, Feasibility study for the design and built of a Gold Project in Saudi Arabia including a Process Plant, Infrastructure, Offices and buildings	SRK Consulting Engineers	2009	Project Manager
Sian Gold Project, Scoping study for the abandoned Sian Gold plant in Essasu, Ghana	Midlands Minerals, Toronto, Canada	2009	Project Manager
Evander Magistrates Court	Department of Public Works for Department of Justice	2009	Structural Engineer
Feasibility Studies for: New Science Centre, Industrial Hub, and Alternative energy solutions	SNC Lavalin and Bakgatla Bakgafela Traditional Administration	2010	Project Consultant, Mechanical, Electrical, Civil /Structural, Project Management
Department of Public Works, Mechanical & Electrical Installations as well Stormwater drainage system	Paxair Projects	2010	Project Consultant to the Contractor
Engineering Audit of all properties for Dept: Treasury (EC) and Dept: Safety & Liaison (EC). Assess the Structural integrity of buildings	Department of Public Works: Eastern Cape	2010	Project Manager, Electrical Engineer & Structural Engineer

Development of Canaan Village including all services and 88 stands (feasibility study): Structural and Electrical engineering designs	Kingdom Wealth Properties	2011	Turnkey Solutions Developer: Project Manager, Electrical & Structural Engineer
Plant Maintenance Contracts design and implement plant maintenance solutions for Process plant equipment (cyclones, screen panels, wearlinings & vulcanization, and rubber scrubbers)	Multotec Group for De Beers Botswana	2011	Mechanical, Contracts management, Projects management
Pre-feasibility study for a Lime Plant	SamFuel, Ndola, Zambia	2011	Process Engineer, Civil / Structural & Mechanical, Project Manager
Pre-feasibility study for a Cement Plant	SamFuel, Ndola, Zambia	2011	Process Engineer, Mechanical, Project Manager
Feasibility Study for expansion of Rutile plant and village	PPM and Sierra Rutile	2012	Project Manager, Mechanical Engineer
Toekomsrus Stadium Phase 1, Construction of a Pavilion and Olympic Sized Swimming Pool	Randfontein Municipality	2012/2013	Civil & Structural Engineer
Prefeasibility Study: Wallmannsthal Fluoride Concentrator Project including: Mining, Tailings Storage Facility, Bulk Infrastructure (Water, Sewerage, Power, Roads)	K'Enyuka	2013	Indyebo appointed by K'Enyuka (RSV Group) to fulfill the Study Leader role
Execution Phase: Nokeng Fluoride Project including: Mining, Tailings Storage Facility, Bulk Infrastructure (Water, Sewerage, Power, Roads), Village Houses, Office Buildings	K'Enyuka	2013	Indyebo appointed by K'Enyuka (RSV Group) to fulfill the Project Manager Infrastructure role
Valuations of Unaville Properties – 17 Agricultural Holdings)	City of Johannesburg	2013	Valuers
SAPS ODI VISS Repairs and Renovations in Mabopane	Dept: Public Works (Mmabatho Office)	2013 - Date	Electrical Engineers
Department of Education Schools Programme – New Schools, Full Service & Rehabilitation of Existing schools (7 normal & technical schools)	IDT North West	2013 – Date	Electrical Engineers
Department of Education Schools Programme – New Schools, Full Service & Rehabilitation of Existing schools (8 normal & technical schools)	IDT North West	2013 – Date	Civil and Structural Engineers
Engineering design for Noodle Factory Extension	LIBSTAR, sub-contract to ECG Engineers	2013 – Date	Electrical & Mechanical Engineers
